VOLUME 1 ISSUE 1 SUMMER 2003

What's New at Georgia Pain Physicians, PC? Lots!

GPP ADVANTAGE NEWS LETTER

We are pleased to announce the First Issue of the *GPP Advantage* newsletter. At GPP our focus is to stay abreast of the latest diagnostic tools and technologies in pain management. We pride ourselves in our ability to ensure the involvement of each patient as an active participant in his or her own treatment programs. It is our hope and dream that the *GPP Advantage* will serve as an enlightening tool that will educate each patient, while assisting in them to **Discovery of Life Without Pain**. In this issue you will find articles from an assortment of specialists regarding ailments treated by GPP. Quarterly each issue will address cutting edge information and testimonials. I would like to thank my staff for their assistance in the steadfast production of this first issue. We truly believe that by working together, with the same goals and caring for each and every patient, we will make a difference.

Ross Sugar, MD

Ross Sugar, MD was born in Baltimore, Maryland in 1960. He completed his undergraduate degree at Duke University receiving a BA in Mathematics. After working as a computer professional, Dr. Sugar entered and completed medical school at the Medical College of Virginia. Upon graduating, Dr. Sugar served as an intern at the University of Maryland Medical Center and then completed Residency at the combined John Hopkins and Sinai Hospital of Baltimore Physical Medicine & Rehabilitation Program. In addition to serving as Chief Resident in his senior year, Dr. Sugar was awarded the Arthur Siebens award for outstanding resident of the year, and the Earl Elkins Award for the top score in the country on the 2002 Physical Medicine & Rehabilitation written board examination. Following residency, Dr. Sugar completed a one-year fellowship with Georgia Pain Physicians, PC (GPP) under the leadership of Dr. Robert E. Windsor. Dr. Sugar is

board certified by the American Board of Physical Medicine & Rehabilitation and board eligible in its Pain Management subspecialty. He is a member of the American Medical Association, the American Academy of Physical Medicine & Rehabilitation, and the Association of Academic Physiatrists, and is co-author of the Physical Medicine and Rehabilitation Pocketpaedia. Dr. Robert E. Windsor and the GPP staff welcome Dr. Ross Sugar to the GPP family.

KIM CUNNINGHAM

GPP Business Development Manager

Kim Cunningham was born in the Midwest but has been in Atlanta the past 25 years. She is married and has two sons. Kim brings well over 16 years of knowledge and experience in medical sales & business development to GPP; 10 years of which she was a business owner, who focused on fostering and expanding customer relationships. As the Business Development Manager for GPP, Kim will identify sales forecasts, develop corporate marketing strategies and identify and establish appropriate marketing channels. Dr. Robert E. Windsor and the GPP staff welcome Mrs. Kim Cunningham as an integral part of the growth and development of GPP.

In regards to our Fellowship Program we would like to give a quick overview of recent events. Thanks to all of the Associate Physicians who have participate in the program over the last year. They include:

E. Anthony Overton, DO

Dr. Overton is a native of Philadelphia, PA where he earned his undergraduate degree in Mechanical Engineering from Drexel University. He received his degree in Osteopathic Medicine from the Philadelphia College of Osteopathic Medicine and completed a residency in Physical Medicine and Rehabilitation at Thomas Jefferson University Hospital.

Gary Kaufman, MD

A board certified neurosurgeon who trained at the Albert Einstein College of Medicine in N.Y.C. Dr. Kaufman practiced neurosurgery in Marietta for 10 years and is now pursuing his interest in pain management with a fellowship at Georgia Pain Physicians.

Diwakar Nagula, DO

Dr. Nagula has recently joined Georgia Pain Physicians after completing his residency in physical medicine and rehabilitation at Eastern Virginia Medical School in Norfolk, VA. His background as an osteopathic physician fostered his interest in pain management and musculoskeletal medicine. Ultimately, Dr. Nagula would like to return to Virginia to establish his practice.

Seneca Storm, MD

Dr. Seneca Storm received her M.D. from Loyola Stritch School of Medicine in 1999. She then spent a year in Roanoke, VA for internship before completing her Physical Medicine and Rehabilitation residency at the University of Washington in Seattle. Her Interest outside of medicine include hiking, skiing and playing guitar.

Scott Jahnke, DO

Dr. Jahnke was born and raised in Minnesota. He received his undergraduate education at Concordia Collage in Moorhead, MN and went to medical school at Des Moines University in Des Moines, Iowa where he graduated in 1988. Dr. Jahnke did his internship at Lansing General Hospital in Lansing, MI and completed a Family Practice residency at EW Sparrow Hospital, in Lansing, MI. From there, Dr. Jahnke completed a Physical Medicine and Rehabilitation residency at the University of Kentucky in Lexington, KY. He is Board Certified in Family Practice, PM&R and Pain Management. Dr. Jahnke has been in private practice in Wichita, KS for the past 5 years before deciding to return to fellowship and train with Dr. Windsor.

Ross C. Sugar, MD

Welcome Dr. Ross C. Sugar to the Georgia Pain Physicians staff. Bio on previous page.

Thanks again for a wonderful year. We wish you all continued success.
